GET FSMA CERTIFIED IN ONE DAY!

The National Young Farmers Coalition (NYFC), in partnership with the National Farmers Union, is proud to offer workshops across the country to help familiarize young and beginning farmers with the Food Safety Modernization Act (FSMA). When FSMA goes into effect in 2018, all fruit and vegetable producers will be subject to Produce Safety Rule (PSR) regulations.

All non-exempt farms will be required to have at least one owner or managerial staff member on site who has attended an approved FSMA PSR training such as this one. Even exempt farms will be required to keep certain records, which will be covered in this workshop. And, regardless of your scale, everyone can benefit from learning about food safety practices on the farm! This workshop is valued at \$135. NYFC and Appalachian RC&D Council are happy to be able to subsidize this workshop for young and beginning farmers. Registration begins at 9 am and the workshop begins promptly at 9:30 am.

AT THIS WORKSHOP

- Worker Health, Hygiene, and Training
- Soil Amendments
- Wildlife, Domesticated Animals, and Land Use
- Agricultural Water (Part I: Production Water; Part II: Postharvest Water)
- Postharvest Handling and Sanitation
- How to Develop a Farm Food Safety Plan

SNACKS, LUNCH, AND DRINKS PROVIDED.
